

Push **START** for the future

PRATI 
THE FINISHING COMPANY

LIFETIME INVESTMENT IN JUST ONE MACHINE

INSTANTLY ADAPTS TO ALL MARKET DEMANDS

RELIABILITY AND LONG-TERM SECURITY FOR YOUR BUSINESS

CLOSED LOOP TENSION CONTROL FOR EXCELLENT QUALITY ACROSS ALL MATERIALS

UNWINDER CAPACITY: 850 mm WITH BUILT-IN OR STAND-ALONE REEL LIFTER

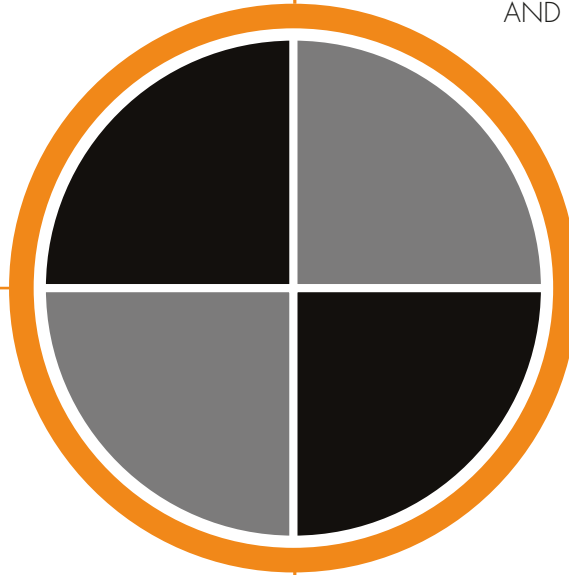

MAXIMUM PRODUCTION EFFICIENCY AND FEWER JOB CHANGEOVERS

SECURE

EASY

EFFICIENT

VERSATILE

ULTRA-FAST KNIFE SETTINGS WITH WEB/IN-WEB/OUT SLIDING CASSETTE

QUICK SIZE CHANGEOVER FOR SUPERIOR PRODUCTIVITY

INTUITIVE OPERATING MODE FOR PRODUCTION STAFF

PROCESSES AN ENDLESS RANGE OF MATERIALS FROM 12 TO 350 μm

NEW GENERATION TECHNOLOGY ENABLES COUNTLESS FUNCTIONS

ALWAYS READY TO SATISFY EVOLVING MARKET REQUIREMENTS

Markets move fast and the best way to stay ahead is to move faster. In the labelling and packaging sector, the most important factor is full flexibility. The only way to ensure you are the first to respond to future trends is with an exclusive open-platform technology.

FUTURA by PRATI. FUTURA is NOW.

Enabling an unlimited number of instant upgrades to safeguard your initial investment and adapt to any market scenario, FUTURA is the standard-setting concept for the next generation.

An exclusive platform created by **PRATI** allowing maximum adaptability without heavy retrofits involving downtime and lost production.

Above all, with FUTURA, today's investment is your security for the future.

- **UNIQUE OPEN-PLATFORM TECHNOLOGY**
- **UNLIMITED UPGRADES**
- **SAFEGUARD YOUR INITIAL INVESTMENT**
- **EASY RETROFITS**
- **ADAPT IMMEDIATELY TO THE MARKET**
- **MAXIMUM EFFICIENCY**

HIGH-SPEED SLITTER
INSPECTION REWINDER

Now with **FUTURA** technology, Saturn is immediately upgradable in quick simple steps. Instant upgrades include:

- FastCut knife and counter-knife positioning device
- Semi-automatic Dual Turret rewinder
- 100% inspection camera
- Workflow Link
- Ink jet function for back & front overprinting
- 1 m unwinder
- Flexo Unit

With FUTURA, converters keep pace with today's fast-moving market.

ADVANCED SLITTER
INSPECTION REWINDER
FOR BKL AND ECL

 **SATURN BKL**

MULTI-TASK,
HIGH-SPEED CONVERTING
AND FINISHING LINE

 **SATURN MIDI**

BI-DIRECTIONAL
INSPECTION REWINDER IDEAL
FOR PHARMA APPLICATIONS

 **SATURN BIDI**

LATEST-GENERATION
MULTIUSE FINISHING PLATFORM
